

PRESS NOTE

Maharaja Ranjit Singh Punjab Technical University, Bathinda a Memorandum of Understanding with Skills Anytime, a subsidiary company of bksb Ltd. UK on 14th December, 2016. The memorandum facilitates the students of MRSPTU, Bathinda and its affiliated/constituted colleges to learn functional English through online English Language Interactive Learning courses. The courses are aimed to improve speaking, listening, reading and writing skills of the students of the University.

Skills Anytime shall organize a two day workshop of the English language faculty of MRSPTU and its affiliated/constituent colleges to apprise them about the features of the program and the benefits to be gained by the young learners. To begin with, the Memorandum of Understanding is signed for one year commencing from 04th January, 2017.

bksb Ltd is award winning UK based company established for last twenty years and carries out its operations in UK, Europe and Australia.

Prof. (Dr.) Mohan Paul Singh Isher, Vice-Chancellor of the university, appreciated the online learning courses offered by the company and said that these courses shall be very useful to the students for improving their communication skills.

The Registrar of the University Dr. Jasbir Singh Hundal signed the Memorandum of Understanding on the behalf of the University.

Dr. Ashok Kumar Goel, Director, Training & Placement thanked Mr. Gurdeepak Singh, Regional Director, Skills Anytime for having signed the Memorandum of Understanding as this shall improve the communication skills and employability of the students and help them seek better placement opportunities.
