

Farewell Party "AVTIO 2016" Organized By Department of Civil Engineering, GZSCCET Bathinda

The Civil Engineering Department of GZSCCET, Maharaja Ranjit Singh Punjab Technical University, Bathinda organized the farewell party "AVTIO 2016" for final year students of Civil Engineering. Professor Jasbir Singh Hundal, Resigtar Maharaja Ranjit Singh Punjab Technical University, Bathinda was the chief guest of the occasion. The occasion was also graced by Dr. Gurshran Singh Director GZSCCET Bathinda as a guest of honour.

The evening started on a cheerful note by welcoming the final year students with flowers and being escorted by their juniors to their respective seats which was followed with a welcome dance.

Professor Mohan Paul Singh Ishar, vice chancellor, Maharaja Ranjit Singh Punjab Technical University Bathinda, appreciated the efforts of Civil Engg. Department and send their best wishes for final year batch.

Professor Manjeet Bansal, Head, Department of Civil Engineering informed the audience about the achievements of the final year batch. He appreciated the students for their all round achievements in sports, cultural activities, academics and extracurricular events.

All the students participated in the event with great enthusiasm. The group dance was performed by second year students. All the events were artistically and beautifully presented in colours as well as style. The audience was kept enthralled for three hours by mind blowing performances and spirit of bonhomie and friendship echoed during the event.

All the Faculty and staff members of Civil Engineering Department were also present in the function. Later in evening students enjoyed the delicious dinner and rocked the dance floor on the beats of DJ.
