

GZS Architecture students shine at Architecture event at Chandigarh

The Architecture Department of the local GZSCCET, Bathinda have once again made their institute proud by winning a number of awards and prizes during the A3 foundation annual event held in Chandigarh on 19 November. The faculty and student team of Department of Architecture, Giani Zail Singh Campus CET, Bathinda won laurels in the event held at Chandigarh Art gallery and Museum auditorium. The prestigious A3 Foundation celebrated its 61st event, organized by renowned Architects, Ar. S.D. Sharma and Ar. Sangeet Sharma. The Bathinda delegation comprised of 3 faculty members and 28 students. Teams from several Architecture colleges from the country participated in the event, which was attended by a huge gathering of Architects, Professionals and Students.

The A3 Foundation encourages the students and faculty from Architecture colleges all over the country for their exemplary work in the fields of Art, Architecture & Aesthetics. Ar Sangeet Sharma, the founder Chairman of the organization gave a presentation on the aims and objectives of the foundation and provided a brief outline of the previous A3 Foundation events and upcoming events. He also announced the names of the winners in various student and faculty categories. The guest speaker at the event Mr. Vivek Atray who is a motivational speaker and author mesmerized the audience through his talk.

The faculty and student awards are constituted by A3 Foundation with an objective to promote Architectural education In India. The award recognizes the achievement of the faculty members who have contributed significantly towards the overall quality of education in making their students more employable so that they can make meaningful contribution towards the society.

Ar. Kajal Handa Arshi, Assistant Professor in Architecture was awarded with the A3F teacher award for her dedication and hard work towards the teaching profession since the last 6 years. The award was presented by the convenor Ar. Sangeet Sharma and eminent Architect Ar. S.D. Sharma who has worked with the legendary Architect Le Corbusier during the planning of Chandigarh. The award comprised of a commendation certificate and a souvenir. Ar.
