**10.4 REGARDING UPGRADATION OF CURRICULUM AS DECIDED IN THE PREVIOUS MEETING**

The proceedings of 3<sup>rd</sup> meeting of Academic Council were put up in the 9<sup>th</sup> meeting of Board of Governors for approval. During this meeting, it was informed that IIT, Ropar has recently revised its own curriculum as per the Industry requirements. It was decided that the University shall seek the help of IIT, Ropar to revise the curricula of various courses. This shall be done in a time bound manner so that revised curricula are implemented from the next academic session i.e. 2020-21.

Accordingly, the recently adopted syllabus prescribed by AICTE was sent to IIT Ropar officials vide e-mail dated 15.01.2020 (**Annexure-10 at Page No. 101**) for their suggestions. Then, it was communicated vide e-mail dated 23.01.2020 that Director, IIT, Ropar will constitute a committee for this purpose (**Annexure-11 at Page No. 102**). The suggestions received from the committee will be then put up to respective Board of Studies/Faculties for approval and subsequent implementation at the earliest.

Matter is put up for information of the Board of Governors.

A. Vice Chancellor informed that as per the decision in the last BoG meeting, they have already written to IIT Ropar but the response of IIT Ropar is not very encouraging. Representative of Chairman of North-West Committee, All India Council for Technical Education, AICTE-North Western Regional Office, Chandigarh, Dr. RK Soni, Director and RO, AICTE, Chandigarh said that AICTE has already circulated model curriculum for popular trades. Further this model curriculum leaves 20% flexibility for the Universities. In light of this, following decisions have been made:

1. University will adopt the model curriculum provided by AICTE.
2. University shall compare the model curriculum with the course curriculum of IIT Ropar. Wherever better features are there in the course curriculum of IIT Ropar, those will be adopted by the University within the 20% component. After this exercise is done, a meeting will be held by the University with IIT Ropar with representative of Industry to get their inputs to finalize the course curriculum.
3. Efforts will be made to finalize the course curriculum for the odd semester by 31<sup>st</sup> May, 2020.

B. Vice Chancellor said that just like course curriculum, the teaching/pedagogy skills of teachers are equally important. Dr. RK Soni, Director and RO, AICTE, Chandigarh said that in this regard, AICTE has recently circulated AICTE Training and Learning (ATAL) Academy Faculty Development Programme (FDP) 2020-2021 and have made it mandatory for all the Institutes to train the trainers.

It was decided that University will implement these guidelines strictly in its letter and spirit in its own institutes and all its affiliated institutes. A clear-cut action plan will be prepared in this regard and will be submitted to the Chairman within 15 days. Simultaneously all

the affiliated institutes will be informed that in case they do not implement these guidelines the University will be constrained to initiate action against them.

C. Registrar also said that placements are poor because students are from rural background and their English speaking/communication skills are very poor. It was felt that University should take necessary steps to improve the skills of the students. So the following decisions were taken:

1. An IELTS training type centre will be setup in the University.
2. The students enrolled for Dual Degree courses will be given training there.
3. Capacity permitting, other students (including outside students) will also be given training there.
4. A course regarding Communication Skills is already a part of the Curriculum for affiliated colleges. However, the way it is designed and tested leaves much to be desired. The Centre will work on that too.
5. A special team will be constituted to run this Centre. In order to save expenses, efforts will be made to run this Centre by taking staff from various Departments/Constituent colleges.
6. An IELTS training model centre will also be setup at PIT Nandgarh.

# Remarks on next page.

**# Remarks:**

The scrutiny is considered on the basis of following points:

1. BoG in its 7<sup>th</sup> meeting vide item no. 7.16 had approved that "AICTE norms/qualifications shall be followed. In case of non-availability of candidates as above, the norms of Council of Architecture, New Delhi, shall be followed for both regular recruitment and promotion under Career Advancement Scheme (CAS)." [Copy attached as Annexure-1]

In absentia of any norms, these norms are mentioned in conclusion as 'University Norms'.

2. University Registrar had sent a mail dated Jan. 29, 2019 and letter no. 392; dated 29.01.2019 to Registrar Council of Architecture with a query that " You are requested to provide latest rules and regulations which are applicable for promotion of faculty members in the discipline of Architecture under Career Advancement Scheme (CAS) in the University/Institute, so that the same could be considered by the University for promotion of its faculty members of GZS School of Architecture and Planning." [Copy attached as Annexure-2]

In reply, received on Feb. 01, 2019 through e mail, Registrar CoA mentioned that "As requested, please find attached Faculty norms prescribed by the Council for recruitment/promotion of Faculty of Architecture at institutions imparting 5-year B. Arch. Degree course." [Copy attached as Annexure-2]

3. With reference to F. No. 4-5/2009-TS.VI; dated May 12, 2011 from Government of India, Ministry of Human Resource and Development, it was clearly mentioned that norms prescribed by Council of Architecture are applicable on Architecture faculty for direct recruitment/promotion.
