Dear Madam,

Greetings for the day!

First of all thank you for approving our Pharmacy courses for the session 2020-21. We have received the decision letter of PCI approval for the session 2020-21, which shows the B. Pharm intake approval for 100 admissions. We had applied only for 60 seats. This is a typographical error and needs to be corrected. It is requested to kindly change this with 60 admissions instead of 100.

Thanking you.

with regards
