

## MANEESH GULERIA

Maneesh Guleria is currently working as an Assistant Professor at Department of Pharmaceutical Sciences & Technology, Maharaja Ranjit Singh Punjab Technical University, Bathinda, Punjab since July, 2019. Before that, he completed his M. Pharmacy from the Central University of Punjab, Bathinda under the guidance of Dr. Pradeep Kumar. The project work during M. Pharmacy was “*Design and Synthesis of Quinazolinone derivatives as PARP-1 Inhibitors*”.

### TECHNICAL SKILLS:

- ❖ MS word, excel and power point
- ❖ Chromatographic techniques (Column and TLC)
- ❖ Handling of UV & IR spectrophotometers
- ❖ Computer Aided Drug Design (CADD)
- ❖ Interpretation of NMR, Mass, IR Spectra
- ❖ Software: Chem Draw, End Note
- ❖ Schrodinger (Docking studies)

### WORKSHOP/ SEMINAR

- ❖ Attended a ICMR and HPTU sponsored national conference on an alternative to animal testing.
- ❖ Attended a ICMR &DST sponsored national conference on recent advancement in Herbal Medicine & Herbal Drug technology.
- ❖ Attended a workshop on Personality development & Interpersonal skills.
- ❖ Attended two day workshop and hands on training on “High Performance Thin Layer Chromatography (HPTLC)”.
- ❖ Attended two day workshop on “Advanced Computer-Aided Drug Design and Computational Biology”.
