

Analysis

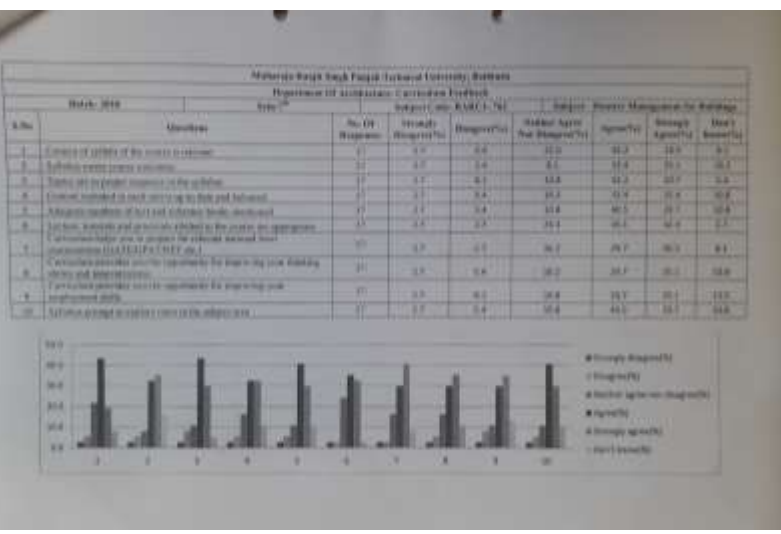

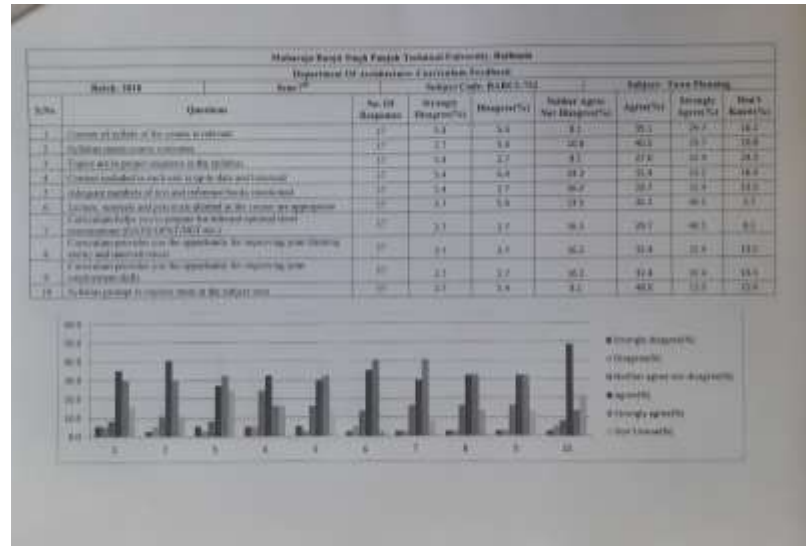

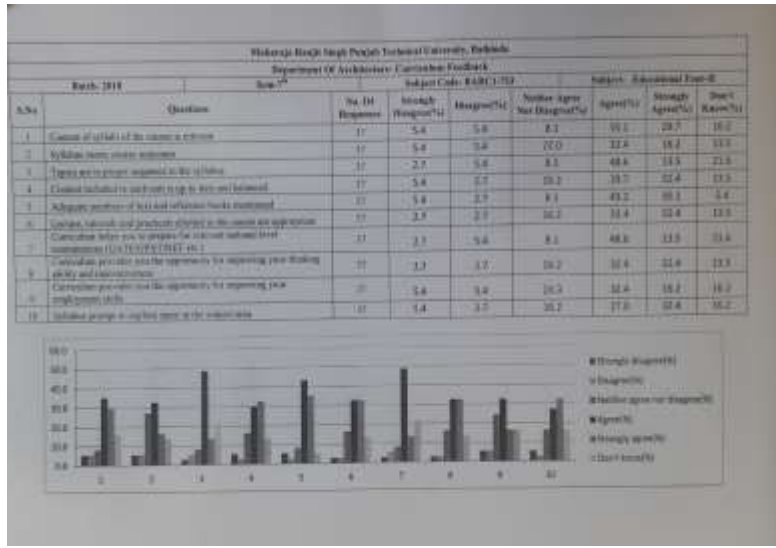

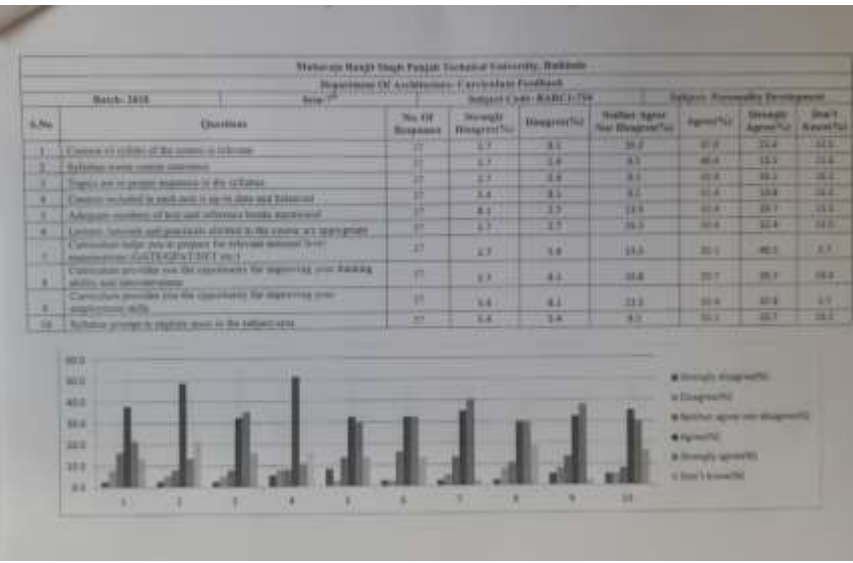

Observation of feedback analysis committee

The feedback from students also showed more than satisfaction responses in the attachment items that all of them had also raised a demand with clear

Recommendation

Change the syllabus of the course and the content, processed by the students that will eventually be made up after they get smart

Analysis

Observation of feedback analysis committee

The results of course outcome this semester have received approval from the students.

Action taken by HOD: They were discussed with the deans of the faculties so the students were able to understand the results. This practice will be adopted in the future also.
