Sub.: Proposal for Offering One Year Skill Certificate Course alongwith Regular Undergraduate Courses

As discussed by your goodself during several meetings held with Deans/Directors/ HoDs of the University during the last 6-7 months, our University intend to adopt an important provision of the National Education Policy – 2020, as per which the students are to be provided with multi exit options during their undergraduate degree courses. In this regard, the following proposal has been framed to offer multi exit options to the graduating students of the University:

1. An additional skill course relevant to the undergraduate course/branch shall be offered by the concerned department at the time of admission of student in the first year of that undergraduate course.

2. This skill course shall run parallel and shall have no bearing on the normal undergraduate degree course. Moreover, this skill course shall not be mandatory but optional for the students to take.

3. The student shall be given Certificate/Diploma/Advance Diploma depending upon the time of exit of student, provided the student has completed all requirements of passing the First/Second/Third Year respectively of his undergraduate degree course.

	4 Year Degree Course	3 Year Degree Course
Exit after one year	Certificate	Certificate
Exit after two years	Diploma	Diploma
Exit after three years	Advance Diploma	-------

4. For the academic year 2022-23, only the course curriculum for the one year skill certificate course of 28 credits is to be planned, which will have the following course structure:

(i) Theory/Practical Subjects: First subject of 60 hours duration (4 credits) to be taught during first semester and Second subject of 60 hours duration (4 credits) to be taught during second semester. The syllabus of both the subjects shall have a minimum of 65% practical content. The subjects shall be taught by the Faculty members or the Degree/Diploma holder technical staff of the concerned departments.

(ii) Training: Training of 120 hours (15 working days @ 8 hours) duration (8 credits) during winter vacation in the relevant workshop/industry outside the institution having tie-up with the concerned department. The departments themselves will tie-up with the relevant industry for this training, or they will provide the contact details of such industries to Dean (Consultancy and Industrial Linkage) for him to tie up with the industries on behalf of the teaching departments.

Sub: Approval for conduct of classes of M.Planning programme during evening session.

Sir,

GZS School of Architecture and Planning is running M.Planning 2 years regular course since 2019. A total of 8 students enrolled in the first batch (Morning Session) which reduced to 02 students in subsequent batches. As per survey/feedback, it was found that more students are interested in evening classes since most of them are either in job or doing their own practice. The matter was discussed with your goodself a decision is taken to run course during evening session, catering to requirements of students. Hereby, we seek approval for running evening session for 2 years regular M.Planning programme.

The academic load is being distributed during evening session from Monday to Friday and full day on Saturday, fulfilling the required number of classes.

Submitted for your kind consideration and approval.

Thanking you

Yours Truly,

Dr. Bhupinder Pal Singh,
Professor & Head,
GZS School of Architecture & Planning,

Note No. #7

Kindly clarify the following points:
1. Whether there will be any additional financial implications (Payment to Faculty, New infrastructure required, Requirement of Non-Teaching staff, Security of Female students, etc.) for running the said programme in the evening.
2. If possible the time table may be revised and the classes be completed till 07:00 PM in the evening.

Prompt reply will be appreciated.

Note No. #8

The clarification for your concerns are as follows:
1. There will be no additional financial implication for running this course in the evening. Already existing Regular faculty alongwith Lecture basis faculty will teach this course. The flexibility to mark biometric attendance of regular faculty only is recommended and requested as these faculty members will not get any extra remuneration for taking extra teaching hours in the evening.
2. For the concern of the security of female students, concerned faculty of the various subjects will take care of this. Also this is for your information that most of these PG students are working professionally and responsible enough.
3. For completing the weekly teaching load, it is not possible to run the classes till 7.00 PM only. But we will try to incorporate your suggestion wherever possible.Requested for your approval immediately.
