Item No. 17.5 **Ratification of E-Tender to Provide "Online Platform and Other Logistics to Establish Online Courses at MRSPTU, Bathinda".**

In view of financial conditions of University, online courses may be helpful to generate some funds. As proposed by some departments and approved by respective Board of Studies, these courses are of short duration and do not need any approval from UGC/AICTE. Further these courses are supportive to enhance employment skills of the students, to generate revenue for the University and to cater to the need of students with the optimum utilization of available resources of University.

However to start these courses, some of the established online platform by some organization/agencies will be required. Such a platform shall be hired through some agencies. The proposal is to hire online platform on revenue sharing basis and the payment to the agency will be made out of the generated revenue only. Apart from this the online platform will be used for augmented learning for the regular students of University without any extra charges. All academics activities will be delivered by University through this online platform.

The proposal for the same has been approved in 5th meeting of Academics Council held on dated 22-10-2021 and 9th meeting of Finance Committee held on dated 22-10-2021**(Annexure-VII, Page No. 21 to 24).**
