Corporate Resource Center (CRC), MRSPTU, Bathinda

Corporate Resource Center is bridging the gap between the industry and academia for students by providing carrier counselling, need based training, campus interviews, guest lectures and industries interaction to enhance their skills to face the competitive world with success. CRC has been regularly inviting heads of leading companies to the campus, who share their insights into the latest issues concerning the economy to enhance the intellectual climate at MRSPTU. Moreover MRSPTU is determined to add wings to the dreams of its students. We guide, support, and train to develop their confidence and overall personality through a well-designed state-of-the-art and interactive learning methods to inculcate skills which are required in an individual.

Vision: To provide the students with an opportunity to develop overall personality in an individual to face the competitive world with success.

Mission: MRSPTU is recognized for excellence in teaching, research and outreach, to provide the highest quality education for students, to promote intellectual growth and shape their personal development.

There are three different wings under Corporate Resource Center (CRC)

- A. Alumni Connect
- B. Industry Connect
- C. Student Connect

The details of the activities in each section are as under:

1. Alumni connect

- 1) Connecting more than 15000 Alumni of GZSCCET and MRSPTU under one umbrella.
- 2) Inviting them to contribute to any form they like:
 - a) Financial support
 - b) Scholarships to deserving students
 - c) Donating books
 - d) Recruitment of students in various organizations
 - e) Providing internship to the students in campus or in industry

- f) Transfer of Technical/ managerial knowledge to students or faculty
 - g) Joint ventures in syllabi upgradation, labs settings, guidance for research grants etc
- 3) To start Alumni Chapters based on location, batch or program at different locations across the world in selected cities to have a better mainstream connect.
 - 4) To generate endowment funds for various purposes like supporting the economical weaker students, research purpose etc.

2. Industry Connect

- 1) There are more than 4000 companies across the country which hire freshers through campus placement drives or by other modes. It is proposed to increase liaisoning with various industry to invite them for campus placements, internship programs, technical support, guiding students for future endeavours and many more such activities by visiting in person or contacting telephonically.
- 2) Contacting with different educational institutes for signing MOUs for Joint Campus Placements.
- 3) Inviting them to contribute financially, for sponsoring projects to establish labs with latest trending technology.
- 4) To frame placement policy at university level for transparency in appearing in placement drives.

3. Student Connect

At T&P Department Level

- 1) Publishing the links of videos of technical, motivational, soft skills and etiquettes etc through website or using any mode for better understanding of outside world website and to prepare the student to face competitive world.
- 2) To conduct Mock interviews in 6/7th semesters.
- 3) To increase interaction with industry experts preferably experts from HR department of various industry to increase awareness among students about industry expectations before the students could appear for interview.
- 4) To arrange expert talks/lectures at institute/university level for 1/2/3/4 year levels, at least two expert talks from subject experts each semester.

- 5) Stream wise training is arranged at institute level to prepare the students for competitive exams at national and international level e.g. GATE, PSUs test, SSB, SSC, RBI, corporate sector etc.
- 6) The placements activities are marketed vigorously for better brand building of university.
- 7) Generally, there is 5 level selection procedure for placements by corporate sector i.e. Group Discussion, Aptitude test, Technical test, Personal Interview and HR interview. The students are trained for each mode prior to appearing for such interviews.
- 8) The students are segregated in different pockets with respect to their personal interest in career profile e.g. higher studies in technical or management studies (GRE/GMAT/IELTS), research & academics, job in core/non-core corporate sector, appearing in competitive exams etc and that too at national or international level.

At Department Level

- 1) Question bank for revision to strengthen the concept for better performance in technical interviews
- 2) To arrange industrial visit for 1/2/3/4-year levels. The schedule for industrial visits is as follows:
 - a) Visit local industry in first year
 - b) Visit industry within 200-250 kms from campus
 - c) One visit to industry located within 300-350 kms from campus and one visit at national level in 3/4th year.
- 3) To conduct refreshing course classes by existing faculty to refreshen up the technical concepts for better performance in technical interviews
- 4) Streamline the evaluation process of 4/6/8-week industrial training
- 5) To boost the club culture (technical, cultural, literary etc) at department and institute level for better learning and to participate in competitive events at institute level at regular intervals. The clubs will organize seminars and workshops on latest technology for inculcating the expertise in the students. This would increase inter departmental interaction among students for better connect and understanding. Few of such clubs are as follows:

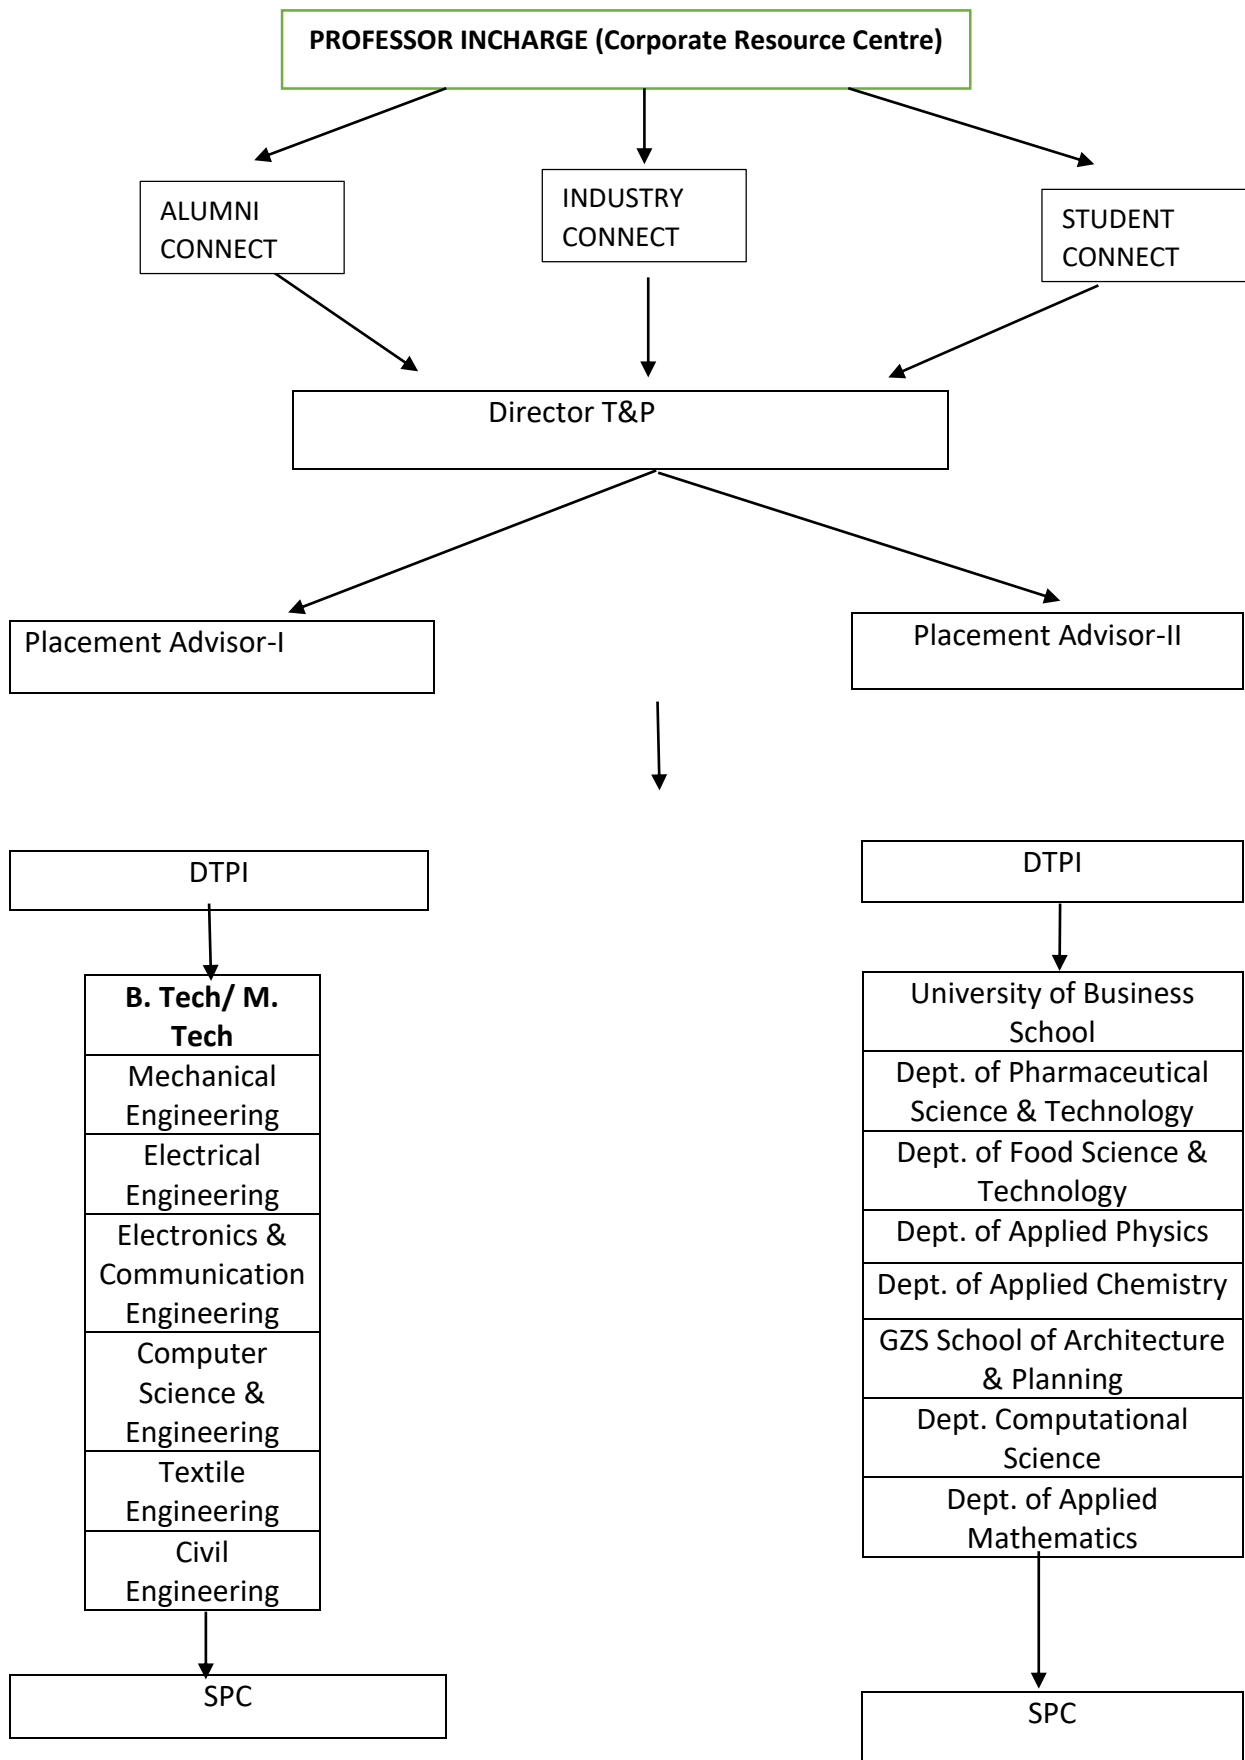

At Institute Level

The clubs would be started at institute level for the grooming of the students:

- a) Coding club
- b) Literary Club (Debate, Elocution, Group Discussion, Seminar, quiz, Quantitative Analysis tests etc)
- c) SAE club

The students are encouraged to participate in technical events on trending technologies at state and national level and the university will provide the technical and financial support to the students.
