13/07

2. ACADEMIC PROGRAMMES

- 2.1 Maharaja Ranjit Singh Punjab Technical University (MRSPTU) and All India Institute of Medical Sciences (AIIMS) will work closely to generate appropriately trained manpower in the areas of Medical Sciences, Hospital Administration, Clinical Research, Project Management, Hospital Engineering and other relevant areas of mutual interest, which can further be revised from time to time, through organization of formal academic curricula, seminars, symposia, workshops, short term training courses and exchange of faculty and students.
- 2.2 Both the universities shall cooperate in education, innovation and research in areas of mutual interest and will support each other's endeavours in delivery of academic programmes and research activities through the following but not limited to:
- Exchange of scientific and technical information
 - Joint supervision of postgraduate and Ph.D. students
 - Conducting collaborative research activities through participation in national and international research projects of various funding agencies.
 - Both the institutions shall identify faculty members, which may be given visiting or adjunct faculty appointments in accordance with the norms and procedures of host institutions.
 - Training of students and faculty for skill development related to courses
 - Any other objectives as agreed upon in writing by both the institutions.
- 2.3 The credit sharing for publications emerging out of collaborative research will be decided by the collaborating faculty of both the institutions.
- 2.4 Any other benefit or financial benefits will be shared on mutually decided terms on case to case basis.
3. It is agreed that the progress of this MOU shall be monitored by a review committee comprising of the Vice Chancellor /Director of respective organizations, or their nominees through periodic meetings.
4. No party shall have the right to use the name or logo of another party without the prior approval of that party in writing.

5. This MOU is valid for a period of 05 years from the date of its signing subject to further extension on mutually agreed terms and conditions. Any mid term change/alteration in the terms and conditions of this MOU as suggested by the review committee shall also be deemed to be valid for both the organizations.
6. The terms of this MOU may be modified/amended at any time subject to mutual written agreement. Such notification shall be effective from the date on which both the parties execute them in writing.
7. The MOU may be terminated if any of the parties want to withdraw from it. In case of such premature termination, the MOU will terminate six months after the date of written notification or date of expiry of the MOU, whichever is earlier and all rights and obligations of both parties shall automatically cease except for the thesis projects of students and those covered under written contacts including ongoing collaborative activity that can no longer be cancelled.
8. Termination of MOU shall be done in cost effective manner subject to proper accounting of expenses that may have been incurred, where applicable. Either party may terminate this agreement by giving three (03) months' written notice to the other party.

Mode of Admissions in Collaborative Courses - Merit Basis/Entrance Test/ Interview (Mutually decided by two parties)

Application Processing and Fee Collection for Collaborative Courses

- Robust online platform will be provided by MRSPTU for application processing and fee collection.

Admission Process

- Advertisement will be given on the website of both, MRSPTU and AIIMS as well as through print media
- Interview panel will be comprised of faculties from AIIMS and MRSPTU Bathinda (if required)
- The entrance test will be prepared by AIIMS and MRSPTU and will be conducted in MRSPTU main campus (if required)

This MoU may pave way for many new courses in collaboration between two institutions.
