**Sub: Quotation for Fabrication of Chamber**

Dear Supplier

You are requested to quote the rates for the Fabrication of Chamber with following specifications:

The cubical chamber should have single wall of stainless steel of thickness 1.5 mm with each side approx. 0.8m. Two small fans on the opposite sides of wall for air mixing and ~two-three electrical connections inside the chamber. It should have 8 – 8 ports of 10mm diameter on opposite walls. Half of these ports of 15cm sampling line extended inside the chamber. The chamber should also be connected to vacuum pump of capacity 50 liter/min. One additional port of one inch diameter at one corner for excess air flow exit. One side should have an acrylic window to see inside the chamber. The chamber should be leak proof and compatible with Aerosol Spectrometer, GRIMM 11A.

1. Following shall be taken note of while quoting the rates:

- The rates will be F.O.R Store Yard, MRSPTU, Bathinda.
- Rate of GST if extra must be mentioned clearly.
- Quotation received later than due date is liable to be ignored/rejected.
- Quotation must be submitted on letter head of the firm as per the format attached with all particular, any other format will not be acceptable.
- The envelope must bear the word: -

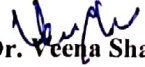

**"QUOTATION FOR Fabrication of Chamber".**

**Enquiry No. & Date: As above**

**Due on: 27.02.2023**

**IMPORTANT:** In the absence of information as required under 1(e) above, if an envelope is received & opened inadvertently, the University will not be responsible and the quotation may not be considered even if quoting lowest rates.

- The Quotations duly completed should be in the name of Registrar, MRSPTU Bathinda and should reach in the office of the **Registrar, MRSPTU, Dabwali Road, Bathinda with "Kind Attention: Head, Department of Physics, MRSPTU Bathinda"** by **27.02.2023 up to 5.00 pm** and same shall be opened at 10:00 am on next date. Your representative may present during the opening of the quotations.
